

Figure 1 consists of 12 scatter plots arranged in a 6x2 grid. The left column shows relationships with 'Number of children' (0 to 10) and the right column shows relationships with 'Number of children' (0 to 10). The variables are: (a) Age, (b) Sex, (c) Marital status, (d) Education, (e) Income, and (f) Employment status. Each plot includes a regression line and a confidence interval.
